

ESSER WINES

2014 SAUVIGNON BLANC

MONTEREY COUNTY, CALIFORNIA, USA

WINEMAKING

2013 turned out to be an almost picture perfect year with ample winter and spring rains. After a good set the summer temperatures were moderate with no prolonged heat spikes. Cool afternoon breezes from the Pacific allowed the grapes to mature evenly attaining full flavors, ideal sugar levels as well as bright acidity. The sustainably-farmed fruit came from the best blocks of the cool Riverview and the warmer Viento vineyards. The grapes were harvested at dawn and transported for whole cluster pressing with minimal skin contact. The two varietals were fermented separately in stainless steel tanks without any malolactic fermentation. The final blend was determined only after a number of trial blends with the addition of Semillon from the Viento Vineyard.
